Remote Programming Steps

Program Remote to Receiver

1. Press and hold the 'S' [Learn] button on the receiver (garage door motor) until you see '0' appear in the centre screen.
2. Press and hold the desired button you wish to use on the new remote until the '0' on the screen disappears.
3. Test new remote

Deleting All Remotes from Receiver

1. Turn off the receiver (garage door motor.)
2. Press and hold the 'S' [Learn] button on the receiver (garage door opener). Turn on the power again, while holding the button for 5 seconds, the receiver will beep twice.
